COMPLAINT

"DEFENDANTS ARE AFTER MY TOP SECRET DOCUMENT"

"TRO TEMPORARY RESTRAINING ORDER"

Comes Now the Plaintiff, Jonathun Lee Riches ©, unarmed but armed with the 1st amendment, in pro se, Moves this Honorable court to Issue a TRO Temporary Restraining order Against Defendants, Defendants Atlanta vacation homes, and a Injunction forbidding Defendants from coming to FCI williamsburg, Salters, South carolina to do me serious harm. Plaintiff prays for relief

1

This Restraining order is about a major conspiracy between Rapper 50 cent A/K/A Curtis Jackson of G-unit, O.J. Simpson A/K/A Orenthal James Simpson, and Clerk of the House of Representatives Jeff TRANdahl, that I became aware about in Top secret documents I obtained from the supreme court. My 6th amendment rights are being violated under Booker and Fan Fan.

2

RApper 50 cent and O.J. Simpson have a Personal and Financial relationship. I used to be 50 cents ghost writer for his Lyrics from May 1999 until my arrest Feb, 25th, 2003. Between these dates, I visited 50 cents Atlanta Vacation home 10 times with O.J. Simpson present. O.J. would stay at 50 cents home when he was in town during the Masters in Augusta. O.J. would always call 50 cent "Baby O.J"

3

RApper 50 cent is Angry and wants to do harm to me because I'm currently suing 50 cent in U.S. District Court, middle District of Georgia, Albany, for copyright infringement. All of 50 cents Lyrics on his New Album "curtis" were written by me in all of 2002. 50 cent promised to compensate me for the Lyrics, but I recieved Nothing. Before I sued 50 cent, I've called him Numerous Times in Atlanta from the prison Phone at FCI williamsburg. 50 cent would threaten me with O.J Simpson. 50 cent Knew O.J. got away with murder once and he could do it again. I felt scared when 50 cent mentioned O.J., because the 10 times when I met O.J. in the past at 50 cents Atlanta Home, O.J. would pick on me, show off. O.J. used to Kick my head like a football. One Afternoon, O.J and 50 cent both stretched me by my arms in opposite directions. I was always intimidated by O.J. Simpson and still is

4

ON 9-18-07, 50 cent made O.J. Simpson a financial deal. 50 cent will arrange to bail O.J. Simpson out of the Clark county Jail in LAS vegas and pay all his legal fees, in return, 50 cent wants O.J. Simpson to come to FCI williamsburg to hurt or Kill me. This is in relation to the Lawsuit I filed on 50 cent. 50 cent wants to silence me, so I can't testify against him

5

Clerk of the House of Representatives Jeff Trandahl contacted 50 cent after O.J. Simpsons arrest. Jeff Trandahl is angry with me because of a secret Document the supreme court accidently sent

"

me with my appeal papers, about the unconstitutionality of title 18 USC 3231 that I won't return to Jeff Trandahl. Defendant Trandahl does not want the public to know the contents of this document. I'm going to share it with court so you can understand:

Title 18 of the criminal code (Public Law 80-772) is unconstitutional. The clerk of the House of Representatives, Jeff Trandahl refused to sign letters in response to requests for information. Finally, a letter was recieved from the clerk of the House, Trandahl, in which he admitted that Public Law 80-772 was passed by the House in 1947, but was never voted on again by the House in 1948 (Even though the senate amended it in 1948) Therefore, a different bill passed the House in 1947, than passed the senate in 1948, rendering it unconstitutional and void. Further research showed approximately 9 constitutional flaws in the bill, any of one which rendered it void. when any form of the argument was presented to the district courts, they tried to dodge the issue or deferred it to a magistrate (who has no constitutional Authority) to avoid it. It appears that the Issue of the validity of title 18 of the criminal code and 18 USC 3231 is still a question

ON: 9-18-07 Jeff TRANdahl paid 50 cent $1,000,000.00 million dollars to arrange with O.J. simpson to have O.J. simpson bailed out or security released from clark county Jail in Las vegas, and come to FCI williamsburg to retrieve the document for Jeff TRANdahl and O.J. simpson to do harm to me in retaliation of me suing 50 cent for copyright infringement. This is why defendants are in a major conspiracy to hurt and damage me

TRO Temporary Restraining order

Plaintiff moves this Honorable court to Issue a TRO Temporary Restraining order Against Defendants. My life is in danger I believe O.J. is coming to FCI williamsburg to cut my tongue out. O.J. simpson threatened to do harm to me in the past. I'm in a state of fear now. I can't think straight.

I lost so much weight because O.J. Simpson and 50 cent scare me. I see 50 cent in his video's, I hear the threats in his music. I seen him commit acts of violence in the past, mostly to white's. I fear he will do the same because I'm suing him. I compel this court to keep Defendants away from me, my life, and away from FCI Williamsburg

Respectfully submitted
